 Mühlstraße 42b, 11  
4600 Wels, Austria

## LANGUAGES

**Ukrainian:** Native

**Russian:** Native

**English:** B1

**Deutsch:** A1 – in progress

## SKILLS

**Languages:** Delphi(Object Pascal), SQL, Java 8, JavaScript (basics), C++ (basics), C++ (Arduino), HTML + CSS (basics)

**Frameworks:** Spring, Spring MVC, Spring Security, Spring REST

**Tools:** Git, Maven

**Databases:** MS SQL Server, Oracle, PostgreSQL

**Operation systems:** Windows, Linux

## WORK EXPERIENCE

07.2014 – 03.2022

### DELPHI DEVELOPER

**Freelancer** (Kyiv, Ukraine)

- Developed architecture and design of industrial weighing systems
- Developed and implemented software for truck, railway balances, weight indicators (indicators of Rice Lake Weighing Systems company)
- Developed software for weighing truck in motion
- Developed software for microcontrollers (Arduino)

12.2007 – 07.2014

### DELPHI DEVELOPER

**Metroves LTD** (Kyiv, Ukraine) – Truck and Railway Balances Production

- Developed architecture and design of industrial weighing systems
- Developed and implemented software for truck, railway balances, weight indicators (indicators of Rice Lake Weighing Systems)
- Integrated with system of recognition truck and carriages numbers (Viinex)
- Integrated with different accounting systems at the enterprise

07.2007 – 10.2007

### DELPHI DEVELOPER

**Cybersystems LTD** (Kyiv, Ukraine) – Software Development

- Developed and tested software for television (project for 3 month)

07.2006 – 07.2007

### TERRASOFT CRM DEVELOPER

**Information Agency “IBC” LTD** (Donetsk, Ukraine) – Software Sales & Integration

- Integrated and provided technical support of Terrasoft CRM
- Developed plugins and scripts for Terrasoft CRM

06.2004 – 07.2006

### DELPHI DEVELOPER

**TK-Donbass LTD** (Donetsk, Ukraine) – Textile Factory

- Developed, implemented, maintained automatized calculation subsystems for the enterprise
- Developed the client section of the client-server application

## EDUCATION & COURSES

01.05.2022 – 15.05.2022

### JAVA SPRING FOR BEGINNERS

**Udemy.com**

- 20 hours of theory and practice Java Spring Framework (IoC and DI, AOP, Hibernate basics, Spring MVC, Spring REST, Spring Security, Spring Boot)

## EDUCATION & COURSES (Continue)

---

○ 12.2015 – 02.2016

### **JAVA 8 (JUNIOR JAVA DEVELOPER)**

**Brain Academy (Main Academy, mainacademy.ua)** (Kyiv, Ukraine)

– 120 hours of theory and practice Java (Java Fundamentals, OOP, Exceptions, Generics, Collections, Multi-threading, OOD, Patterns, Reflections, IO Streams, Annotations and etc.)

– Course project: <https://github.com/VIBondarenko/brainacadproject>

○ 09.2002 – 01.2004

### **Master of Specialized Computer Systems in medicine**

**Faculty of Computer Information Technologies and Automatics**

**Donetsk National Technical University** (Donetsk (now in Luts'k), Ukraine)

Diploma Thesis: The expert system using fuzzy logic for lungs diagnostic

○ 09.1998 – 07.2002

### **Bachelor of Computer Engineering in medicine**

**Faculty of Computer Information Technologies and Automatics**

**Donetsk National Technical University** (Donetsk (now in Luts'k), Ukraine)

Studied: Discrete Math, Probability Theory, Database Management Systems, Object Oriented Programming, Automatic Control Theory, Human Anatomy, Pathology Fundamentals, Human Diagnostic Fundamentals, Computer Diagnostic Systems Design and etc.
